Re: MM Docket No. 01-345  
RM-10344  
Wickenburg, Arizona

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Dear Ms. Dortch:

On behalf of Circle S Broadcasting Co., Inc. ("Circle S"), licensee of Station KSWG(FM), Wickenburg, Arizona, this will again request additional time to file a minor change application for construction permit for Channel 242C at Wickenburg, Arizona. On April 19, 2002, the Commission, by Report and Order, DA 02-915, amended its FM Table of Allotments to substitute Channel 242C for Channel 242C3 at Wickenburg. The Report and Order directed Station KSWG to specify operation on Channel 242C at Wickenburg by way of a minor change application within ninety days of the effective date of the Report and Order. Circle S has not yet filed an application because of obstacles in obtaining an antenna site which complies with the Commission's technical requirements as well as local zoning rules. Circle S expects to file such an application shortly. In view of this, Circle S requests an additional sixty (60) days to file its application to specify operation for Station KSWG(FM) on Channel 242C.

Please contact the undersigned in the event the Commission has any questions with respect to this request.

Sincerely,

Lee J. Heltzman  
Counsel for  
CIRCLE S BROADCASTING CO., INC.
